(Title 18, United States Code, Section 922(g))

TO BE FILED UNDER SEAL

COMPLAINT AND
AFFIDAVIT IN SUPPORT
OF ARREST WARRANT

20-MJ-563

(18 U.S.C. § 922(g))

The source of your deponent's information and the grounds for his belief are as follows:¹

1. I have been an FBI Special Agent since approximately 2017, and I am assigned to the FBI's Brooklyn/Queens Resident Agency, where I investigate narcotics distribution and trafficking, firearms offenses, violent crimes, and gang activity. I am familiar with the facts and circumstances set forth below from my participation in the investigation; my review of the investigative file, including the defendant's criminal history record; and from reports of other law enforcement officers involved in the investigation.

Background

2. I have reviewed documents provided by the New York City Housing Authority ("NYCHA"), which indicate that the defendant DARRIUS SUTTON lives with his mother and other members of his family at 333 Georgia Avenue, apartment 5H, in the East New York neighborhood of Brooklyn, New York. On July 23, 2020, law enforcement agents executed a federal search warrant on 333 Georgia Avenue, apartment 5H, and individuals present at the time of the search indicated that SUTTON lives in the apartment. Further, during in-person surveillance and while reviewing video surveillance, I and other law enforcement officers have observed SUTTON in the vicinity of 333 Georgia Avenue, and entering and leaving the building.

3. I have reviewed SUTTON's criminal history and I am aware that on March 9, 2015, SUTTON was convicted of the New York State offense of second degree

¹ Because the purpose of this Complaint is to set forth only those facts necessary to establish probable cause to arrest, I have not described all the relevant facts and circumstances of which I am aware.

assault with intent to cause serious bodily injury, in violation of New York Penal Law Section 120.05(1), a Class D felony. SUTTON was sentenced to a term of two years' imprisonment.

The April 20, 2020 Shooting

4. I have reviewed surveillance video from April 20, 2020 at approximately 3:00 p.m. taken from several cameras located in the vicinity of 375 Sheffield Avenue in the East New York neighborhood of Brooklyn, New York. The videos depict an individual running southbound on Sheffield Avenue towards Blake Avenue with a firearm in his left hand (the "Assailant"). The Assailant was wearing slim-fitting dark grey sweatpants, white sneakers, a black jacket, and a blue baseball hat. He had a grey hood up over his baseball hat and he appears to have concealed his face.

5. As depicted in the videos, the Assailant ran up, undetected, behind another individual (the "Victim") who was walking southbound on Sheffield Avenue. The Assailant stopped in the vicinity of 375 Sheffield Avenue, approximately six feet behind the Victim. As the Assailant stopped, he raised the firearm to approximately shoulder-height and, using both hands to steady the weapon, fired multiple shots at the Victim's back, striking the Victim in the upper left chest, right thigh and right wrist. The Assailant then ran across Sheffield Avenue and southbound towards Blake Avenue. The Victim's wounds were not fatal.

6. Officers of the New York City Police Department ("NYPD") responded to the vicinity of 373 Sheffield Avenue shortly after the shooting and recovered one 9mm Luger caliber Federal Cartridge cartridge and one .380 auto caliber Winchester cartridge.

a. The NYPD Police Laboratory has analyzed the shell casings and determined that they were both fired from the same firearm.

b. I am aware that Federal Cartridge and Winchester ammunition is manufactured outside the State of New York.

7. I have reviewed (a) surveillance video taken from cameras in the vicinity of 375 Sheffield Avenue before and after the April 20, 2020 shooting, including videos obtained from commercial establishments on Sutter Avenue, and from inside the lobby of and across the street from 333 Georgia Avenue; (b) images that are publicly available on Facebook; and (c) items seized from SUTTON's apartment pursuant to a judicially-authorized federal search warrant on July 23, 2020. Based on the information obtained from these sources, information provided by other law enforcement officers and my own personal observations, there is probable cause to believe that the Assailant in the April 20, 2020 shooting is DARRIUS SUTTON.

a. I have reviewed video footage from April 20, 2020, collected from a surveillance camera inside 333 Georgia Avenue and from several surveillance cameras in the vicinity of 333 Georgia Avenue. The video shows the following, in substance and in part:

i. A male individual wearing what appear to be the same clothing as the Assailant entered 333 Georgia Avenue with another individual at approximately 12:38 p.m. It is apparent from the video that the hood the individual is wearing is from a grey fleece or sweatshirt that the individual is wearing under his black jacket.

ii. The individual wearing the same clothes as the Assailant and the other individual left 333 Georgia Avenue approximately four minutes later, at 12:42 p.m. The individual wearing the same clothes as the Assailant exited 333 Georgia Avenue to the right and walked north towards Sutter Avenue. Surveillance videos from cameras located on Sutter Avenue show that the individual wearing the same clothes as the Assailant crossed Sutter Avenue and walked east on Sutter Avenue, towards Sheffield Avenue.

iii. As the individual walked on Sutter Avenue, his black jacket was unzipped, revealing the grey fleece or sweatshirt he is wearing underneath his jacket. The grey fleece or sweatshirt had a black contrasting zipper and a vertical chest pocket with a black contrasting zipper on the left side.

iv. As the individual approached Maria's Deli, located at 605 Sutter Avenue, his face was visible. He entered Maria's Deli where he removed his hood, further revealing his face.

v. The individual remained inside Maria's Deli for approximately 15 minutes. He ordered food, received his food and left Maria's Deli at approximately 12:58 p.m. He then then walked back to 333 Georgia Avenue, following the same route he took to Maria's Deli.

vi. I and other members of law enforcement have reviewed these videos, and recognize the individual as SUTTON from prior interactions with

SUTTON in the vicinity of 333 Georgia Avenue, SUTTON's prior arrests and arrest photographs, and from videos and photographs of SUTTON posted on social media.²

vii. At 2:05 p.m., SUTTON again left 333 Georgia Avenue and met an individual outside the front door of the building. SUTTON was wearing the same clothes as the Assailant, described above. SUTTON and the other individual walked south on Georgia Avenue and entered 398 Sheffield Avenue at approximately 2:07 p.m.

viii. At 2:11 p.m. SUTTON and the other individual exited 398 Sheffield Avenue and entered 611 Blake Avenue. SUTTON was still wearing the same clothing described above.

ix. At approximately 3:04 p.m., SUTTON exited 611 Blake Avenue and returned to 333 Georgia Avenue. Approximately one minute later, SUTTON left 333 Georgia Avenue and walked north towards Sutter Avenue. Before reaching Sutter Avenue, SUTTON turned right, cut through a parking lot headed in the direction of Sheffield Avenue. When SUTTON reached Sheffield Avenue, he turned south towards Blake Avenue.

x. As SUTTON crossed Sheffield Avenue, he began to run and removed what appears to be a firearm from the left pocket of his jacket. He continued to run southbound on Sheffield Avenue until he was in front of 375 Sheffield Avenue, at which time he was approximately six feet behind the Victim. SUTTON stopped and holding the firearm in his left hand, he raised the firearm to shoulder height. He then used

² A witness familiar with SUTTON recognized the individual shown in the surveillance video from Maria's deli, but did not identify that individual as SUTTON or otherwise identify the individual.

his right hand to stead the firearm and fired several shots at the Victim's back. The surveillance cameras in the vicinity of 375 Sheffield Avenue show SUTTON wearing the same clothes as the Assailant, described above.

xi. After the shooting, SUTTON ran towards Blake Avenue. Moments later, after NYPD officers responded to the scene, SUTTON exited from the rear of 398 Sheffield Avenue wearing a sweatshirt with stars on the arms (the "Star Sweatshirt"), grey sweatpants, different shoes and no hat. SUTTON crossed the street to 611 Blake Avenue, then walked west on Blake Avenue, and then north on Georgia Avenue back to 333 Georgia Avenue.

xii. SUTTON remained in the lobby of 333 Georgia Avenue and in front of the building for several minutes, while NYPD officers were in the vicinity responding to the shooting. SUTTON entered 333 Georgia Avenue again a few minutes later, and left again approximately eight minutes later, wearing different clothing, including a sweatshirt that says "E4D" (the "E4D Sweatshirt"). I am aware that SUTTON's Facebook username is "E4DMeecho," and he frequently adds "#E4D" to his Facebook posts.

8. I have reviewed publicly available images of SUTTON found on Facebook that show him wearing what appears to be the distinctive grey fleece he was wearing at the time of the April 20, 2020 shooting.

a. I have reviewed photographs publicly available on the Facebook page associated with username "Papi Speedy." The Papi Speedy Facebook page contains numerous images of individuals, including SUTTON, displaying gang signs.

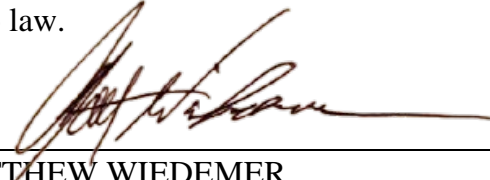

b. For example, on April 1, 2020, the user of the "Papi Speedy" Facebook page posted a photograph of two individuals whose identities are known to law

enforcement and SUTTON, which appears to have been taken in front of 333 Georgia Avenue. All three individuals are making a hand gesture in which they touch their first finger to their thumb and extend the other three fingers to make a “b.” Based on my training and experience and debriefings with cooperating witnesses and confidential informants, I am aware that this hand gesture indicates membership in the Bloods street gang. In the photograph, SUTTON is wearing a red bandana around his head, which I also believe, based on my training and experience, indicates his membership in the Bloods street gang. SUTTON is wearing a grey fleece with a black contrast zipper, a vertical chest pocket on the left side with a black contrast zipper, and a hood that appears to be the same one he was wearing at the time of the April 20, 2020 shooting. Another photograph posted on the “Papi Speedy” Facebook page on April 1, 2020 shows SUTTON and three other individuals, again in the vicinity of 333 Georgia Avenue. In the photograph SUTTON is wearing what appears to be the same grey fleece worn by the Assailant.

9. On July 22, 2020, the Honorable Vera M. Scanlon, United States Magistrate Judge, issued a search warrant for 333 Georgia Avenue, Apartment 5H — SUTTON’s residence. On July 23, 2020, law enforcement officers executed that search warrant. Individuals present in Apartment 5H acknowledged that SUTTON lived in the apartment and identified SUTTON’s room. In SUTTON’s room, law enforcement officers

located eight rounds of ammunition, the Star Sweatshirt and the E4D Sweatshirt, i.e., the clothing SUTTON changed into after the shooting described above.

WHEREFORE, your deponent respectfully requests that the defendant
DARRIUS SUTTON, be dealt with according to law.
